Fundraising made easy (and tasty!)

Dear Parents:

The Rose Hill PTA and Corner Cuisine have joined forces to present a fundraising program from which we can all benefit. Please help us raise much-needed funds by booking a session at Corner Cuisine - www.cornercuisine.com and using the following Promotion Code when registering

ROSE

Corner Cuisine has agreed to donate 5% of your 8 or 12-Meal In-Store or Pick-up Session price to the Rose Hill PTA. Below is a detailed explanation of the program. We are very excited about this new fundraising vehicle and look forward to fantastic success. If you have any questions, please contact Sue Reynolds at msuer64@hotmail.com. Thank you for your continued support!

What is Corner Cuisine?

- Corner Cuisine is an innovative gourmet kitchen where you come in and prepare 8 or 12 meals for your family using our unique recipes, our fresh ingredients, and our kitchen utensils and equipment. We are conveniently located at the new Lorton Town Center (next to Curves), a short drive from Rose Hill Elementary.

How does it work?

- Visit www.cornercuisine.com and browse our menu selections for the upcoming month. We have a delicious selection of 14 meals, which we change monthly. Select a session and register for the meals that you'd like to prepare. At checkout, please ***do not forget to enter the fundraising code above*** to ensure that your organization receives its 5% donation.
- On your session date, you'll assemble your entrées with fresh, tasty ingredients, by simply following the easy directions, which you can personalize to your tastes. Don't like garlic? Leave it out! Love mushrooms? Add a few more! It's just like home, but without the fuss. And the best part is that we do all the shopping, prepping, and clean-up for you, but you'll still get all the credit!
- Each meal will fit nicely in an aluminum pan or a Ziploc bag, provided by us, and will include simple home-cooking labels. Corner Cuisine's entrées serve 4-6 people, and cost around \$3 per serving. Most entrées are easily baked in around 30 minutes. What could be easier?
